**IMPORTANT:**

Cards will be setup with default limits (250 gallons per day) and authorized products (all fuel; all grades of gasoline, and clear and dyed diesel). Please specify if you would like your limits or authorized products to be different from the defaults. Please contact your sales representative or our customer service department for other security options available to your account.

Because security features depend on communications between each fuel site and CFN/PP, APP cannot guarantee security features will be available at all sites at all times.

Customer is solely responsible for protecting its Driver ID's and network fueling access cards. If Customer's Driver ID's or any network fueling access card issued to Customer is being misused or has been lost or stolen, the Customer is responsible for all costs or losses arising from such misuse, loss, or theft and should immediately contact APP at 2320 Milwaukee Way, Tacoma, WA 98421 or at (253) 627-6179.

If Customer is purchasing fuel from a site displaying a posted price per gallon, please be aware that Customer will not be charged or pay the posted price. Rather, Customer will pay the contracted price between itself and APP.
