## **World Fuel Services' New Toluca Office**

New location opens to better support business aviation in Latin America

**Acapulco, Mexico** (March 2, 2017) – World Fuel Services (WFS) celebrates the opening of their new Toluca office to further support business aviation in Mexico and across the greater Latin American region. With WFS' team of sales and aircraft operations professionals, the new office serves aircraft operators, airports and FBOs with a contract fuel program, reliable fuel supply and WFS' entire suite of business and general aviation solutions.

"Toluca is no doubt the heart of business aviation in Mexico," said Michael Szczechowski, WFS' Senior Vice President Business Aviation Sales. "As the industry grows and matures, having an office presence here better positions us to support our customers across the region with local expert knowledge."

To best serve their Latin American customers, WFS maintains offices and local experts in Mexico City, Toluca, and Cancún, Mexico; San José, Costa Rica; Bogotá, Colombia; Viña del Mar, Chile; Buenos Aires, Argentina; and São Paulo, Brazil. WFS' Latin American team works closely with customers to offer the most comprehensive business and general aviation solutions in the industry. These include contract fuel, trip support, global fuel supply, AVCARD aviation charge card, FlyBuys™ Rewards Program, insurance, the World Fuel Services Network of FBOs, and Air Elite Diamond Service Locations.

World Fuel Services employs over 5,000 employees, with 150 offices, operating in 190 countries worldwide. Their global team of local professionals gives World Fuel Services the ability to develop strong relationships with customers on a local level, ensuring sustained success.

Attendees of AeroExpo 2017 are encouraged to stop by Stand I-14 to learn more about WFS' presence in Latin America, their business and general aviation solutions, and to enter to win a *Taking Care of Business* prize package.

### About World Fuel Services Corporation

Headquartered in Miami, Florida, World Fuel Services is a global fuel logistics, transaction and payment processing company, principally engaged in the distribution of fuel and related products and services in the aviation, marine and land transportation industries. World Fuel Services sells fuel and delivers services to its clients at more than 8,000 locations in more than 200 countries and territories worldwide.

The company's global team of market makers provides deep domain expertise in all aspects of aviation, marine and land fuel management. Aviation customers include commercial airlines, cargo carriers, private aircraft and fixed base operators (FBOs), as well as the United States and foreign governments. World Fuel Services' marine customers include international container and tanker fleets, cruise lines and time-charter operators, as well as the United States and foreign governments. Land customers include petroleum distributors, retail petroleum operators, and industrial, commercial, and government accounts. The company also offers transaction management services which consist of card payment solutions and merchant processing services to customers in the aviation, marine and land transportation industries.
